

<b>Job title</b>	Full Stack Solutions Developer
<b>Reporting to</b>	Information Systems Manager
<b>location</b>	Huthwaite
<b>Job summary</b>	<p>Svella Connect is a telecommunications contractor working with Virgin Media, Openreach and Cityfibre to expand the national fibre network. With depots in Warrington, Leeds and Huthwaite, Nottinghamshire we operate through these strategically placed offices covering the midlands and north of the Country. An opportunity has arisen for a Solutions Developer to work on a varied workload of projects and change requests. We build, host and maintain the majority of our systems and applications, supporting our head and regional offices and our teams out in the field. Our development teams are responsible for reviewing business requirements and translating these into business enhancing, mobile first, applications that we then build and implement in line with industry best practise standards. We host our own cloud and manage our own infrastructure, which enables us to be innovative and stay ahead in our industry.</p> <p>What you will be doing day to day</p> <ul style="list-style-type: none"> <li>● Working on business approved projects <ul style="list-style-type: none"> <li>○ Interpret requirements into working code</li> <li>○ Liaising with operational teams to ensure successful delivery</li> <li>○ Provide accurate timescales and updates to Project Coordinator</li> <li>○ Communicate and escalate issues to Lead and Project Coordinator, where required</li> </ul> </li> <li>● Supporting released projects for an outlined period <ul style="list-style-type: none"> <li>○ Working with operational teams to understand ‘real’ errors and rectify accordingly</li> <li>○ Support the transition into business as usual once the project has moved into the production environment</li> </ul> </li> <li>● Other activities <ul style="list-style-type: none"> <li>○ Follow the Secure Development Policy and Development Standards</li> <li>○ Supporting the business via the Support Portal for incidents and service requests.</li> <li>○ Work within a team</li> <li>○ Stand-ups to track progress and be proactive with issues</li> <li>○ Expanding knowledge and experience of the systems used by Svella staff</li> </ul> </li> </ul>
<b>Skills, qualifications and experience required</b>	<p>Skills:</p> <ul style="list-style-type: none"> <li>● .NET Core</li> <li>● C#</li> <li>● Web API</li> <li>● SQL Server and T-SQL</li> <li>● HTML/CSS/JavaScript/TypeScript</li> <li>● JavaScript Frameworks/Libraries (preferably Vue.js)</li> <li>● Working with Git</li> <li>● Strong problem-solving skills</li> </ul> <p>Experience:</p> <ul style="list-style-type: none"> <li>● Knowledge and experience working with Frameworks.</li> <li>● Knowledge and experience working with Design Patterns.</li> <li>● Proven track record delivering to requirements and expectations.</li> <li>● Experience working with Business Critical systems is desirable.</li> </ul> <p>Approach:</p> <ul style="list-style-type: none"> <li>● An excellent communicator, both verbal and written (including tact and diplomacy)</li> <li>● Be able to write clean and maintainable code (in line with coding standards and best practice), with relevant comments</li> <li>● Be proactive</li> <li>● Self-motivation, passion and a driven ‘can do’ attitude</li> <li>● Be collaborative and forward-thinking; maintaining a healthy knowledge of industry changes and technology advancements</li> <li>● Challenge the status quo</li> </ul>

	<ul style="list-style-type: none"><li>• Competitive Salary</li><li>• 25 days holiday + bank holidays</li><li>• Employee Assistance Program (discount from high street retailers)</li><li>• Private healthcare</li><li>• Part remote working</li><li>• Free eye test vouchers</li><li>• 3x life assurance</li><li>• 5% enhanced pension contribution</li><li>• Annual salary reviews.</li></ul>
