

<b>Job title</b>	Fibrecities Surveyor
<b>Reporting to</b>	Delivery Manager
<b>location</b>	Huthwaite
<b>Job summary</b>	<p>Job description</p> <p>Svella Connect is a telecommunications contractor working with Virgin Media, Openreach and Cityfibre to expand the national fibre network. With depots in Warrington, Leeds and Huthwaite, Nottinghamshire we operate through these strategically placed offices covering the midlands and north of the Country.</p> <p>Our Telecoms business provides the management and delivery of national and regional network infrastructure to major communications providers. This includes installations, improvements, repairs and 24-hour emergency response networks to high speed fibre networks. We apply our expertise at each stage of the project lifecycle to ensure smooth delivery to our customers and clients.</p> <p>An opportunity has arisen for a Telecoms field-based coordinator covering both Spine and Access Network, on the Openreach Fibre Cities project. Reporting into the Delivery Manager, your main responsibilities will be validating the network surveys and auditing completed network builds.</p> <p>What you'll be doing day to day</p> <p>Conducting validation of intrusive surveys of UG &amp; OH networks          Completing audits for networks builds          Regular quality and compliance checks          Identifying solutions on the network to avoid civils and ensure all requirements are met          Providing regular updates to the Delivery Manager on any issues that could hamper the build i.e wayleave's, Direct in ground premises and listed buildings          Ensure all A55's are correctly recorded and uploaded to the Openreach system          Review of necessary documentation on the Openreach system          Compliance with all Health, Safety, Quality Control &amp; Environmental policies</p> <p>** Please Note - If you have not heard back from us within 10 days of submitting your application then please take this as you was not successful on this occasion, we will however keep your CV on file for future reference.</p>
<b>Skills, qualifications and experience required</b>	<ul style="list-style-type: none"> <li>• The experience we're looking for in a candidate</li> <li>•</li> <li>• Full UK driving licence</li> <li>• Excellent communication skills</li> <li>• A positive and enthusiastic approach to work</li> <li>• Good organisation skills</li> <li>• Ability to work efficiently</li> <li>• Results orientated, whilst maintaining ability to meet strict quality standards</li> <li>• High level of customer service for both internal and external stakeholders</li> <li>• Previous Openreach network experience advantageous although training and qualifications will be provided</li> <li>• The personal attributes we're looking for in a candidate</li> <li>•</li> <li>• Desire to understand and promote the Company purpose, vision, values and culture</li> <li>• Trustworthy and ethical approach, exercising discretion where required</li> <li>• Organised, structured and professional, with a passion for excellence</li> </ul>
<b>Salary &amp; Benefits</b>	For the right candidates we offer an attractive benefits package in a rapidly expanding forward thinking company. Competitive salary depending upon experience and qualifications.
